## Experience

**iQ flicks 2014 - Present**

**Owner & Operator**

Josh started iQ flicks in 2014. He runs a full freelance creative agency with services such as videography, photography, and graphic design. iQ flicks, LLC has served clients such as A&E, Cracker Barrel, Sony Tree Studios, Synchronicity, Cumberland University, Canton Jones, Rachel Potter, Seth Glier and Many Hands for Haiti.

**The Vincit Group 2016 - 2019**

**Brand Designer & Cinematographer**

The Vincit Group's creative marketing department lead videographer. Used visual talents to illuminate the Vincit brand and message as well as set brand standard for video content. Use video expertise to help build company culture and bring soul to each project, blurring the lines between good work and art. Lead Vincit forward on its journey to become the industry brand that sets the standard when it comes to premium visual content.

**Relativity 2019 - Present**

**Program Manager - Photo/ Video**

Within the Relativity creative team Josh manages the video and photo brand as well as plans for future productions. His day to day roles include, editing, storyboarding, coordinating with composers, animations, and freelancers, as well as coordinating with social teams to deliver high quality stories to release.
